企业简介

About Us

盘锦中润特塑有限公司位于中国辽宁盘锦市精细化工园区，占地面积41.3万平方米，地处京沈、沈大及盘海营三条高速公路的交汇点，又有京沈高速铁路、京大高速铁路横贯其中，交通十分方便

盘锦中润特塑有限公司成立于2009年6月，注册资本1亿元人民币。公司现有四项特种工程塑料合成技术专利，涉及用不同方法生产聚砜、聚醚砜、含联苯聚醚砜及共聚醚砜酮等。公司1000吨/年共聚醚砜酮 (CoPEEK) 生产装置已经投产，产品主要销往欧美、日本、韩国等地。

盘锦中润特塑有限公司与国内科研院校联合，拥有一支高端的专家团队，负责包括产品生产技术的不断改进与完善、新技术的开发与应用以及特种工程塑料制品的生产加工等方面的研究和实践，并已经取得较大进展。特别是在CoPEEK粉末喷涂、半制品和成品（注塑、挤出）加工等方面有较大突破。

盘锦中润特塑有限公司十分注重技术人员的引进与培养，特别是在产品生产、材料加工、原料和产品的分析检测等方面，拥有一支80余人的技术团队，确保了公司产品生产的质量稳定性和一致性。

盘锦中润特塑有限公司已取得ISO9001国际质量管理体系认证；美国FDA认证；欧盟REACH预注册；EU10/2011食品安全检测和欧盟ROHS指令。

盘锦中润特塑有限公司拥有一支诚信高效的产品销售团队，在欧洲，我们有最重要的产品代理商和合作伙伴—德国的BIEGLO公司。公司秉承“质量第一，诚信至上，不断改进”的企业宗旨，做优秀的高分子聚合物的全球供应商。

欢迎全球同行业的朋友们加入我们，一起创造属于我们共有的美好明天！

Panjin Zhongrun High Performance Polymer Co., Ltd.,(hereinafter referred to as "Panjin Zhongrun") is located in the Fine Chemical Industrial Park of Panjin City, Liaoning Province and covering an area of 413,000 square meters. It sits at the intersection of three highways, Beijing-Shenyang line, Shenyang-Dalian line and Yingkou-Panjin-Haicheng line, and there are also Beijing-Shenyang and Beijing-Dalian High Speed Railways traversing through, so the traffic is very convenient.

Panjin Zhongrun is established in June 2009 with registered capital of RMB 100 million Yuan. Our company possesses four patents of special engineering plastics synthesis, involving in polysulfone, polyether sulfone, biphenyl polyether ether sulfone, and co-polyether ether ketone synthesis in different ways. We have built and started up a CoPEEK plant of capacity 1,000 t/a, the products are mainly sold to Europe, America, Japan, Korea and other countries.

Working together with scientific research institutions and colleges in China, Panjin Zhongrun owns a team of top experts dedicated to research and practice in aspects of production technologies constantly improving and perfecting, new technologies development and application, special engineering plastic articles production and processing etc., and has obtained great achievement, especially in aspects of CoPEEK fines painting, semi-finished products and finished products processing (injection molding, extrusion) etc.

Panjin Zhongrun lays high emphasis on bringing in and up technical staff, especially those engaged in production, materials processing, materials and products analysis and test, we have a technical team consisting of more than 80 employees that ensures stability and consistency of product quality.

Panjin Zhongrun has already been an ISO 9001 certified, USA FDA certified company, pre-registered with EU REACH and executing EU 10/2011, Food Safety Test and EU ROHS directives;

Panjin Zhongrun also owns an honest and efficient sales team, in Europe, we have our most important distributor and partner - BEIGLO GmbH, Germany. Adhering to our company tenet - Quality First, Integrity First and Continuous Improvement, we are making us an outstanding high-molecular polymer global supplier.

All friends in this industry, no matter where you are, are welcome to join us and create more beautiful tomorrow for us!
